

Royal and Tiny

The Royal features a generous 4 1/2" of foam on the seat which curves from front to back to create a comfortable seating position. It is available with arms if required.

The chair can be fitted with either a book pocket or a card pocket in the back. Alternatively an underseat book rack can be fitted. It can be easily stacked.

Our Tiny, a miniature Royal, was designed for children's unique seating needs. It offers all the same fine qualities and comfort as its bigger brother.

your comfort is our business
